**RE: Biohazardous Medical Waste Transporter Registration Number TR070113.01
Renewal**

Dear Mr. Petrullo:

The Arizona Department of Environmental Quality (ADEQ), Solid Waste Plan Review Unit (PRU), has conducted a review of your renewal request for MTS Medical Waste Management Biohazardous Medical Waste Transporter Registration. Based on the information provided, your application has been granted pursuant to Arizona Administrative Code (AAC) R18-13-1409. The certificate of registration number 070113.01 is enclosed.

The biohazardous medical waste transporter registration shall be deemed effective as of February 1, 2006. As a transporter, MTS Medical Waste Management, shall operate in accordance with all the conditions provided in this letter and in a manner consistent with the above-mentioned application.

Administrative, Operational and other Conditions

1. This registration is valid for the State of Arizona; however, county agencies and Indian nations may have additional regulations governing the transport of biohazardous medical waste within their respective jurisdiction. The PRU suggests that you contact the health departments for the county or tribal jurisdictions in which you will operate or transport biohazardous medical waste for any separate licenses, permits or approval you may need.

2. This biohazardous medical waste transporter approval does not relieve MTS Medical Waste Management of its responsibility to comply with federal, state, county or local requirements and shall not be construed as permission to create a public health hazard, environmental nuisance, or cause contamination to the environment (AAC R-13-1409).
3. The Department reserves the right to issue administrative orders or to seek other legal remedies as provided by law, if MTS Medical Waste Management creates a public health hazard or environmental nuisance, or violates State laws or conditions of the approval.
4. The Department reserves the right to conduct inspections of the registered biohazardous medical waste transportation vehicles. MTS Medical Waste Management has the right to have its representative accompany the inspector on the inspections. During inspections, the Department may take photographs, collect samples, make copies of records or conduct other recognized monitoring activities.
5. The Department reserves the right to suspend, amend, withdraw, condition or revoke this biohazardous medical waste transporter registration certificate if it is determined that your biohazardous medical waste transport operation is in violation of AAC R18-13-1407 and R18-13-1409.
6. Pursuant to AAC R18-13-1409.G a transporter of biohazardous medical wastes shall comply with all of the following:
 - a. Accept only biohazardous medical waste packaged as prescribed in AAC R18-13-1407 (R18-13-1409G.1).
 - b. Accept biohazardous medical waste only after providing the generator with a signed tracking form as prescribed in AAC R18-13-1406.B and keep a copy of the tracking document for one year (R18-13-1409.G.2).
 - c. Deliver biohazardous medical waste to a Department-approved biohazardous medical waste storage, treatment, or disposal facility within 24 hours of collection or refrigerate the waste for not more than 90 days at 40° F or less until delivery (R18-13-1409.G.3).
 - d. Not hold biohazardous medical waste longer than 96 hours in a refrigerated vehicle unless the vehicle is parked at a Department-approved facility (R18-13-1409.G.4).
 - e. Not unload, or reload, or transfer the biohazardous medical waste to another vehicle in any location other than a Department-approved facility, except in emergency situations (R18-13-1409.G.5).
7. Pursuant to AAC R18-13-1409.C., a person who transports biohazardous medical waste shall maintain in each vehicle at all times a transportation management plan consisting of:

Page 3 -

- a. Routine procedures used to minimize the exposure of employees and the general public to biohazardous medical waste throughout the process of collecting, transporting, and handling (R18-13-1401.34.a).
 - b. Emergency procedures to be used for handling spills of accidents (R18-13-1401.34.b).
 - c. Emergency contact names, addresses, and telephone numbers to be used in the event of spills, accidents and vehicle breakdown.
8. Pursuant to AAC R18-13-1409.E., the transporter of biohazardous medical waste shall ensure that the:
 - a. Vehicles are dedicated only to transport biohazardous medical waste.
 - b. Cargo compartments can be secured to limit access to only authorized persons at all times.
 - c. Cargo compartments are fully enclosed, leak proof, consisting of floor, sides, and roof that are made of a non-porous material impervious to biohazardous medical waste and cleaning and/or disinfectants, and physically separated from the driver's compartment in accordance with AAC R18-13-1409.E.1.
9. All permitted biohazardous medical waste transportation trucks shall be equipped with emergency cleanup kits consisting of additional containers, spill booms and dust pans, neutralization chemicals, protective equipment for immediate cleanup and initial spill mitigation.
10. Disposal of spill recovered materials or liquids (if any) shall be in accordance with all federal, state, and local disposal regulations of such materials.
11. This certificate is not transferable and is valid for five (5) years from the issuance date. Please notify ADEQ within 14 days after any changes to the information in your application occur or change of transportation trucks. Changes in any of the application items marked with an asterisk (*) may require re-registration.

The above decision constitutes an appealable agency action pursuant to Arizona Revised Statutes (ARS) §41-1092 et seq. To obtain an administrative hearing on ADEQ's decision, a Notice of Appeal ("Notice") must be filed with ADEQ within thirty (30) days of receipt of this letter. The notice must contain the following:

Page 4 -

- 1) The name of the person or party filing the appeal.
- 2) The address of the person or party filing the appeal. (The person or party must notify ADEQ of any change of address within five (5) days of the change).
- 3) The name of the Agency whose decision is being appealed (in this matter, the agency is the Arizona Department of Environmental Quality).
- 4) The action being appealed.
- 5) A concise statement of the reasons for the appeal.

The notice must be filed with ADEQ. Send the notice to: Hearing Administrator, Office of Administrative Counsel, ADEQ, 1110 West Washington Street, Phoenix, Arizona 85007. The notice should be filed by either mailing the notice by certified mail, return receipt requested, or by hand delivering the notice to ADEQ. The hearing will be conducted by an administrative law judge from the Office of Administrative Hearings. ADEQ will notify the parties of the hearing date at least thirty (30) days prior to that date. If the appealing party wishes to try to settle this matter before the administrative hearing occurs, that party must file a request for an informal settlement conference with the Hearing Administrator. This request must be filed no later than twenty (20) days before the hearing date. ADEQ will hold the settlement conference within fifteen (15) days of receiving the request. Filing an informal settlement request does not change the date.

If you have any questions regarding this letter, please contact Barbara Waterbury at (602) 771-4120 or toll free at 1 (800) 234-5677 Ext. 771-4120 or via email at waterbury.barbara@azdeq.gov.

Sincerely,
